

# Citywide Police Camera System

New York and Miami are just two of the many cities that have installed Public Safety surveillance systems

## Proposed Project Elements:

- Cameras installed at City Parks, buildings and facilities, major intersections and entrances to City
- Cameras installed on selected local streets and commercial areas
- Cloud-based storage system for evidence

## Milestones

Wireless Modem Bids	April, 2017
Design/Bid Plans	October, 2017
Bid Award	December, 2017
Construction Begins	February, 2018

Project Funding	Budget	Purchase Orders	Expense To Date	Balance
Professional Services	\$ 400,000	7,560	3,240	\$ 389,200
Construction	2,200,000	37,375	0	2,162,625
Land Purchase	0	0	0	0
Contingency	400,000	0	0	400,000
<b>Totals</b>	<b>\$3,000,000</b>	<b>44,935</b>	<b>3,240</b>	<b>\$2,951,825</b>

## Project Status:

- Data Center consultant completed analysis and project plan for implementation
- Proposal being developed for enterprise software upgrade
- Camera consultant has begun site survey for locations

## Project Team:

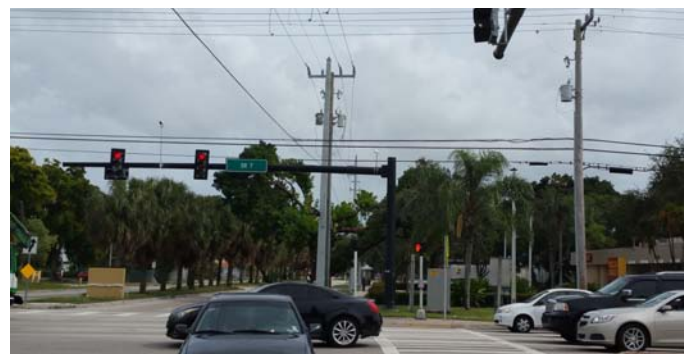

Lead: Doug Downs, MIS Manager

Allen Siegel, Dave Hennessy

GO Management: J. Martin Cala, Buddy Shelton, Sean Henderson, Yolan Todd, Don Giancoli

The video surveillance system is designed to collect video evidence for criminal investigations. It will not be monitored in real-time but will be valuable for deterring crime and for helping to identify and convict criminal activity in residential and commercial areas.

## Current Conditions

Cameras can be mounted on existing utility lines and will assist the Police Department in criminal investigations.
