

Renaissance Park Improvements

Proposed Project Elements:

- New Sidewalks
- New Landscaping

Milestones

Playground permit	December, 2023
Walking trail installed	October, 2024

Project Status:

- Funds reallocated from landscaping / sidewalk and grant funding to purchase playground because easements could not be obtained to expand existing park
- Playground installation on hold for review of location and design

An expanded walking trail will be installed in the park

Project Funding	Budget	Purchase Orders	Expense To Date	Balance
Sidewalk	\$10,000	\$0	\$0	\$10,000
Landscaping	80,000	0	0	80,000
Trees	10,000	0	0	10,000
Totals	\$100,000	\$0	\$0	\$100,000

Current Conditions

Renaissance Park was created by making use of the vacant land under FPL power lines. Existing playground at south end shown

Project Team:

Lead: Scott Newton, Parks & Recreation Director

Jeff Jones, Rhea Warner, Desorae Giles-Smith

Renaissance Park is a linear passive park on NW 55 Avenue. The City is negotiating for additional right-of-way from adjacent multi-family residential developments and FPL to allow for the park expansion.
