Re: Building Permits

To Whom It May Concern:

Please be advised that you are responsible to know and follow any deed restrictions or covenants that are imposed by Homeowner Associations, Condominium Associations or any other person or legal entity. If your property is deed restricted, it is your responsibility to know and follow the rules or restrictions.

You proceed at your own risk if you perform construction or other improvements on your property that violate deed restrictions and covenants. By issuing a building permit, the City of Lauderhill does not assume any liability to you or your association.
