2024 Solid Waste, Recycling & Bulk Service CURBSIDE COLLECTION GUIDELINES

2024 CURBSIDE COLLECTION GUIDELINES: LAUDERHILL

Dear Lauderhill Residents:

WM, in partnership with the City of Lauderhill, is pleased to be your environmental solutions provider. Delivering exceptional service is our goal. Please review our **2024 collection guidelines** to ensure you get the most from your curbside collection service. Thank you for your cooperation and being a valued WM customer!

Highlights of the new schedule:

- Your current trash service days will NOT change.
- Please check the calendar carefully to determine the dates for bulk collection in your area.

RESIDENTIAL SOLID WASTE SERVICE

Single Family Homes

WM will collect trash two times per week using the **same collection schedule**. Residents will continue to use their 96-gallon garbage cart on the same days carts are currently being serviced.

Cart Placement

Place carts on the swale (not on the street). All material must be placed in the cart with lids closed. **Additional material placed on the ground, on the cart or around the cart will not be collected.**

Collection Times

Your cart will be collected between 7:00 am and 7:00 pm on your trash collection day. Carts should not be placed out for collection prior to 6:00 pm the night before your collection day.

Please be advised that your cart may be emptied at a different time of day than your previous schedule.

All emptied garbage carts must be removed from the swale by midnight on the day of collection.

If winds exceed 35 mph, WM will discontinue service, and your garbage, recycling, and bulk items will be collected on your next collection day.

RECYCLING

WM now collects your recyclables. The current schedule will continue and if you have any questions, please call us at 954-615-4050.

BULK WASTE

In order to provide you the highest level of service, WM has made changes to the bulk collection schedule. Residents will receive bulk service based on your address. **Please refer to the Bulk Collection Maps on the inside of this brochure to determine your bulk service day.**

2024 BULK & SOLID WASTE COLLECTION CALENDAR: LAUDERHILL

BULK WASTE COLLECTION INFORMATION

Your bulk waste will be collected on the same day each month as your garbage. In the event of a service delay, residents can go to wm.com and click on Notifications at the top right. A prompt will appear to enter a home/service address. Thereafter, the service information will be provided.

All residents in single-family homes will receive two bulk collection services in December, therefore, the Bulk Collection Calendar will show two colors on one collection day. Residents may set out bulk during both service weeks.

Bulk collection is divided into seven color-coded zones.

See the map to determine your bulk waste collection zone.
