## Message from the City's Mayor

As the Mayor, I am honored to provide a vision and trusted leadership to the citizens of beautiful Lauderhill. In collaboration with my colleagues on the City Council, we continue to listen and work with our community to ensure our agenda and our administration reflect the needs and interest of our residents and businesses. The City promotes employment and business opportunities, economic growth, improve quality of life, and embraces diversity. The Popular Annual Financial Report (PAFR) provides a snapshot of the City's strong financial position and illustrates our continued commitment to financial transparency, and it is my pleasure to disseminate it to the Public.

Lauderhill is a resilient community always searching for new opportunities to combat economic and environmental challenges. Our top priority is to continue strengthening the City's infrastructure by investing in clean water, effective and efficient water drainage, optimal quality services, robust public safety services, improve streets and roads and upgrade recreational services that will promote healthy lifestyle. The staff of approximately 600 employees is committed to the City's goals and aspirations. Residents and businesses are very much involved in the progression of Lauderhill with their participation in decision making and together we are striving for community success. As a friendly community, we would like to share our flavorsome restaurants, shopping centers, nearby beautiful beaches, performing arts center, parks, and all other amenities with visitors from all over the world. For the first time, The Men's T20 Cricket World Cup comes to Lauderhill on June 11-12, 2024, and we are excited to be a part of this great event with Broward County.

I encourage all residents and businesses of this "All America City" to read this report and I hope it will assist you in understanding the City's healthy financials standing in a summary.

Yours truly,

**Ken Thurston**  
Mayor

# Message from the City Manager

Welcome to the first annual City of Lauderhill Popular Annual Financial Report (PAFR) for Fiscal Year 2023. We're always looking for new ways to improve communication with the public, and this report is designed to give you clear and useful information about the city's finances and initiatives. We hope it will not only inform but also encourage you to get involved in building our community.

This PAFR provides a wealth of information, including a comparison of Fiscal Year 2022 and Fiscal Year 2023, highlighting the city's growth and progress (see page 9 and 10). It also answers common questions like, "Where do my property taxes go?" on page 14, and outlines our public safety efforts on pages 16 and 17 to keep Lauderhill safe.

In Fiscal Year 2023, we launched our Vision and Strategic Plan, laying the foundation for Lauderhill's future. This report serves as a baseline to measure our progress. Our key focus areas this fiscal year were:

1. *Promoting a clean, green, and sustainable environment*
2. *Enhancing public safety for a more secure city*
3. *Creating and maintaining open spaces for all ages*
4. *Supporting continued local economic growth and employment*
5. *Providing quality housing at various price points*
6. *Ensuring efficient and effective city government*
7. *Increasing customer satisfaction*
8. *Valuing diversity and inclusion*

Additionally, we've adopted a five-year Capital Improvement Program to proactively address infrastructure needs. This program allows us to plan long-term capital projects, giving both the public and the City Commission a clearer view of our future plans.

We encourage you to take your time reviewing this report, and we look forward to serving you throughout Fiscal Year 2023 and beyond.

Sincerely,

**Desorae Giles-Smith**  
City Manager

## from the Deputy City Manager/Finance Director

We are pleased to present the City of Lauderhill Popular Annual Financial Report (PAFR) for the fiscal year ended September 30, 2023. As the Finance Director, it is my responsibility to ensure that the City is fiscally sound through budgeting, investing, and accounting.

The Popular Annual Financial Report is a summary of the City's overall financial position and is presented to the City of Lauderhill residents and all other interested parties in a manner that is transparent, user friendly, and understandable.

This report is a reflection of the Annual Comprehensive Financial Report (ACFR), which is prepared in conformity with generally accepted accounting principles and audited by HCT Certified Public Accountants and Consultants, LLC. The latter report gives more comprehensive details of the City's financial position while the PAFR reports the financial results of the Organization's operations.

The objective of this report is to provide informative and useful information to our readers, with the goal of enhancing awareness of the City's overall operation. Comments, suggestions, or recommendations are welcome and can be submitted to [kpotting@laudershill-fl.gov](mailto:kpotting@laudershill-fl.gov).

The PAFR along with the ACFR reports are available at the City's website via the link provided below

## History of City

The "Founding Father" was a builder/developer named -Herbert Sadkin. The first officer of the City, appointed by the Governor of Florida, was Harold Wolk, who later became the first Mayor. Early Council Members included David Shapiro, Herbert Sadkin, Nathan Ringler, and Jerome Wolk. They held office until the first general elections in the city on November 2, 1965.

Herbert Sadkin really had planned to name Lauderhill "Sunnydale" upon its inception. After some discussions

with his dear friend, New York Times journalist, William Safire, the name Sunnydale would soon be second choice. Safire explained he disliked the name "Sunnydale" because it sounded like a neighborhood in Brooklyn. For whatever reason, Mr. Safire liked the wordplay of "hill" and "dale". Although Mr. Sadkin mentioned to Safire there are no hills there, Mr. Safire replied, "There are probably no dales in Lauderdale, either!" Somehow, out of that simple discussion, the name Lauderhill was born.

Today, Lauderhill is still generally undergoing changes that take us to the current "Renaissance" we are in today. Innovation and modernization have been looked at differently over time and the leaders of the past have handled it differently. Lauderhill's rich history is marked by a reluctance to change in some decades and a complete embracing of it in others.

Its destiny is its own. Lauderhill, under its current leadership, does not allow chance or fate to determine its future. What is to be for Lauderhill is dreamed of, fought for, and attained by the many who live here and love it including the residents, the administration, and the elected officials.

Lauderhill is not just anytown, USA. We are the All America City! Lauderhill, FL, USA!
