# Pink Up Lauderhill

## About Pink Up Lauderhill

The City of Lauderhill is teaming up with Breast Cancer Awareness Advocates like BRCA Strong for the 4th Annual Pink Up Lauderhill featuring two days of breast cancer awareness, education and community events. Kicking off on Friday, October 4, 2024 with the Opening Night Reception and the lighting of the 16 foot tall Pink Breast Cancer Ribbon mounted high up on City Hall. Followed by the Pink Up Lauderhill Community Bike Ride and Health Fair on Sunday, October 6, 2024 featuring breast cancer awareness and education from local health vendors, entertainment, food, and keynote speakers.

Pink Up Lauderhill seeks to raise money in order to help ease the financial worries of Lauderhill breast cancer patients and their families. It is our belief that no one should have to choose between paying essential household bills or paying for medical treatment. Pink Up Lauderhill hopes to help breast cancer patients by providing peace of mind so patients can focus on recovery rather than looming bills. In addition, through awareness and education, we look to share knowledge about breast cancer and it's affects on all ages and sexes; alongside advocating for early detection and mammogram screenings.
